Benefits: Did you see the hit movie “Money Ball?”

Accurate statistics can help you sell. This free statistics program will show you how well your website is performing. We will track the following statistics for you:

Unique...

Visitors to your web site including the search engine they used to find you

Visits...

Number of visits by computers not including search engines

Average...

Yearly, Monthly, Daily, statistics to help your website sell for you

Top Requested...

Pages (which page on your site is most popular)

Pages...

Number of page-views; if the number is higher than your visits, that means people explore your site.

Top entry...

Pages (where users entered your site)

Top exit...

Pages (on which page visitors left the site)

Top Frequent...

Visitors (who is visiting the most)

Top Referrers...

Where people are coming from, i.e., links to your site, Google, Bing, etc.

Top search strings...

i.e. best builders in Colorado, or best remodelers in TX, etc.

This is a FREE service when you renew your VIP subscription!

If you need a website or would like us to do website updates for you, we can also provide these. While most web designers do web site work for anyone, we specifically focus on builders. Please call 1-800-449-5033 for website design information.
